

# Healing Circles with Jyoti SaeUn

Enjoy the subtle and deep nourishment of the Healing Circle.

In this monthly series, Jyoti SaeUn serves as a center point for integrating and unifying the group. Jyoti is the creator of The SaeUn Method: Clearing Clouds to Awaken Your True Nature.

"Clearing Clouds" facilitates the resolution of deeply held emotions, a source of chronic tension that can affect your state of health. This refined intuitive process translates the body's current expression of imbalance and traces it back to its roots for release and transformation.
